

DEFEND THE RIGHT TO STRIKE WITH WORKERS STRIKE BACK WHEN WE FIGHT — WE CAN WIN

The Supreme Court, which just stripped away abortion rights, is gearing up for the biggest attack on workers in a generation: forcing workers to pay the bosses for losses from strike action!

Strikes are the most important tool workers have to fight for better wages and conditions—we can't let the bosses and their courts take this away from us!

In New York City, workers are also fighting the Taylor Law, which curbs the right of public sector workers to strike. Workers Strike

Back activists have brought forward—and won!—resolutions in their unions to demand that the labor movement take action and speak out against this attack on workers everywhere.
